

SCHOOL OF CIVIL & ENVIRONMENTAL ENGINEERING (SCEE)

Annual Open House & Job Fair

8 May 2024

Join us for a day of innovation and opportunity at the NUST School of Civil & Environmental Engineering's Open House & Job Fair on **8th May 2024 from 0900-1600 hrs.** We extend a warm invitation to national and multinational engineering and IT marketing companies and organizations from both the public and private sectors to: -

- **Engage with Top Graduates:** Interact with the country's finest engineering graduates and esteemed faculty members as they showcase their expertise through Final Year Design Projects (FYDPs), addressing real-time challenges in **Civil Engineering, Environmental Engineering & Geoinformatics Engineering.**
- **Collaborative Problem-Solving:** Share your industry-specific challenges with our experienced faculty members, boasting diverse expertise across various fields and institutions. Together, we can explore tailored solutions that bridge academic innovation with industrial needs.
- **Showcase Your Company/ Organization.** This event promises exceptional opportunities for showcasing your company/ organization's **remarkable achievements and employer branding** by booking the stall through online registration.
- **Academia-Industry Synergy:** Forge valuable connections for potential collaborations, with the opportunity to transition final-year prototypes into viable industrial products.
- **Talent Acquisition:** Discover the cream of the crop in technical talent for potential placements within your organization.
- **On-Site Interviews & Interactive Sessions:** Conduct interviews and engage in insightful discussions right at the event venue.
